**501.2. Team Availability:** Pursuant to USYS rules, State Cup games take precedence over all other games. Teams and their respective leagues must arrange league schedules to avoid conflicts with State Cup game dates. State Cup game dates will be published in advance, but due to unforeseen circumstances such as bad weather postponements, teams must regard the State Cup game dates as subject to change. Except as noted below in rule 501.3, teams should plan to be available every weekend from the start of the State Cup until the final match. It is the responsibility of clubs and team coaches to inform players of these schedule requirements and expectations.

**501.3. Game Sites:** Teams agree, by entry into the State Cup, to play scheduled State Cup matches at any venue in the State of Maine. A team with a "home" designation may or may not be assigned to play in its home region.

# Procedures and Rules 2024

**501.4. Schedule Changes:** The State Cup Committee reserves the right to make changes to the State Cup schedule for any reason. Such changes might include venue, date, and/or time. Teams must abide by the schedule decisions of the State Cup Committee.

The State Cup Committee will inform the teams involved in such circumstances of any such cancellation by e-mail.

**502.3. No Shows:** In the event the minimum number of players necessary to start a game [seven (7) players for 11 v 11; five (5) players for 9 v 9, does not arrive at the venue (“no show”) within ten minutes of the scheduled start time, the game is considered a forfeit and will be recorded as a 0-4 loss. It is the responsibility of the assigned referees to notify the State Cup Committee by e-mail of any team who forfeits a game as a result of a “no show.” If a team forfeits a second game, the Club will be assessed another \$250 fine and must pay the fine within seven (7) days to Soccer Maine. Failure by a Club to pay fines shall result in the Club’s not being in good standing and thus all of its teams ineligible to compete in any Soccer Maine sanctioned game and/or event (e.g. sanctioned tournament, end of season festival, or playoff tournament) until the fine is paid in full.

### ***Bad Weather***

*In the event of bad weather, the State Cup Committee will assess playing conditions and make a determination as to whether the conditions will allow for safe and fair competition and safe travel to and from the venue. Heavy rain, lightning, high winds, snow cover, extensive standing water, and/or a soaked playing surface are some examples of conditions under which a game could be postponed due to bad weather. The State Cup Committee will attempt to make this decision **2 hours** in advance of kick-off in order to inform teams and referees.*

**503.3. Games Terminated due to Misconduct:** If a referee terminates a game based on the conduct of team, its coaches, officials, or spectators, the State Cup Committee will hold a hearing to determine penalties, including forfeiture of the game.
